Dear Director's and Manager,

*In the "Criteria for establishment of temporary recreational
structures", approved by the board of directors on 04/14/94 it states the
following.*

Gazebos

*Gazebos may be constructed on site providing that they have an engineering's
drawing and meet all codes and park criteria.*

*Engineering specifications sheet and drawings show location, must be submitted
for permit and approval.*

*Note: All buildings must be tied down. Interpretation of what constitutes a
"Gazebo" shall be the sole discretion of the A.E.R.B.*

A.E.R.B. interpretation

*Materials used for on site construction, or store bought Gazebos must have
advance written approval by the A.E.R.B. No tarps of any color for roofing,
windows, shades, awnings, driveways, or any ground cover.*

Sincerely,

Joe Carfagno Jim Botsacos Bill Church Dan Sievers Carl Vandergrift
