Dear Director's and Manager,

*In the "copy of the Rules and regulations supplemented by
Commentary, (in Italic Print)", approved by the board of directors on
11/10/2005 it states the following.*

Skirting of Recreation Vehicles

**(h) Any (Recreation) vehicles supported by cement blocks or anything in
addition to wheels other than screw jacks must be skirted within (6) months from
the day the vehicle is in place. All skirting must be approved by the Architectural
and Environmental Review Board.**

(There can only be a maximum of 2" high cement blocks or lumber under the screw jacks).

A.E.R.B. interpretation

**All recreation vehicles past (6) months shall be considered permanent, and shall be
skirted regardless of support mechanisms. Motor homes, and travel Trailers, that
leave the park and surrounding grounds for at least (24) hours in a six month
period are exempt for (6) months, providing their departure and arrival are a matter
of record at the gate house.**

Sincerely,

Joe Carfagno Jim Botsacos Bill Church Dan Sievers Carl Vandergrift
